February

20- ranges close at 3 pm (Fish Fry)

March

20- ranges close at 3 pm (Fish Fry)

More info on any of our events can be found on our website or our Facebook page.

Family Fun Day

We had **79 kids registered**, along with parents, grandparents, and families filling the club with energy all afternoon!

Two .22 rifles were given away thanks to the Greg Sikora Family and the Aaron Hass Memorial Scholarship Fund.

And the root beer floats — donated by the Central/Logan Trap Team — were an absolute hit!

Every single kid walked away with a prize, a smile, and a great memory.

A huge **thank you to our sponsors** for helping make this day special for our youth and our community. We appreciate you more than you know~

Greg Sikora Family, Aaron Hass Memorial Scholarship Fund, Bimbo Bakery, Whitetails Unlimited, C&C Towing, Reinke Brothers Sports Shop, Chad "Wild" Myhre Memorial, and 40+ volunteers.

High School Trap

July found five athletes from Central/Logan and one from Aquinas competing at the US High School Clay Target League Nationals in Mason, MI. Lillian Turner, Aiden Martin, Benji Wood, Drew Hass and Cole Hasburgh from C/L and Alexis Stupi from Aquinas earned high regular season averages to qualify them to compete against the top 2000 individuals and 240 teams in the nation. The C/L team members competed in both the team and individuals. Cole qualified for the finals, where he shot a 96 and finished 223rd. Alexis also qualified for the finals, where she shot a 99 out of 100. She ended her high school trap career by finishing as the **#1 FEMALE SHOOTER IN THE NATION!!**

Congratulations to Alexis on this accomplishment. This year's Nationals was the last for C/L seniors Drew, Benji, and Aiden. All three have competed at the national level up to 5 years in a row and will be greatly missed. Planning has already begun for our 2027 season. We will see you then!

Rifle Sight In

Looking for volunteers to help with rifle sight in- RSO would be nice, but not required to help! Dates: Fri-Sun November 6, 7, 8 and 13, 14, 15- 9-3 pm each day. Please reach out to a Board Member if interested (contact information is at the end of newsletter).

Coulee Trap League Winners

Chaseburg Rod and Gun traveling trap team won the second division trap league which ended July 2nd in Sparta. Our Club shooters travel on six Thursdays to compete at handicap trap shootings. Teams from Holmen, West Salem, Bangor, Wilton, Sparta, and Chaseburg round out the competition. This is the 2nd year in a row now your Club shooters have placed 1st! Team Captain John LeJeune Sr, John LeJeune Jr, Jed Nestingen, Jed Domke, Lenny Phillips, John B. Hanson, and Garold Becker were the team members this year. Nice job and thank you for representing our Club!

Board Voting December 10th

Nominations will be accepted at the November 12th monthly Member meeting. There will be three positions—potentially four—open for nomination. To be eligible, nominees must meet the following criteria: be an active Member of the Club, have attended at least four meetings in 2026 or have completed 15 volunteer hours at the Club in 2026.

Please join us at the December 10th monthly Member meeting to cast your vote!

Four-Person Trap League

Competitive shooting wrapped up on August 18, with the steak fry and party shoot held on August 25. A total of 100 men, women, and teenagers competed on 25 teams across five divisions, grouped by ability. Cash prizes were awarded to 1st, 2nd, and 3rd place in every division, with equal payouts across all divisions. Prize money comes from a portion of each shooter's entry fee.

It was great to see so many current and former high school trap shooters participating this year, many of them carrying some of the highest averages in the league. One standout team included dad, mom, son, and daughter all shooting together, and they finished 3rd in their division.

Final team results are posted on the Trap Page of the club website, including all teams, shooters, division assignments, and final placements. Many thanks to all the shooters who participated in this important club fundraiser.

The trap committee is currently discussing the possibility of running a 6–8 week winter league. This would be an individual shoot, scored differently than our current league, allowing shooters to shoot ahead or make up rounds if they need to miss a week. Keep an eye on the website and the January newsletter for updates.

'26- '27 Fish Fries

Fish fries will begin again in September on the following dates:

September 19, October 17, November 14, January 16, February 20, and March 20.

Dinners include all-you-can-eat batter-fried fish and fries, served with beans, coleslaw, bread, pickle, coffee, and milk. Beer, mixed drinks, and soda are available for purchase.

*Custom charcuterie board will be actioned at September fish fry

Gun Match- July 19, 2026

On July 19th, we held the “rimfire challenge” event.

We would like to thank everyone who volunteered their time to make this a success!

Special thank you to Chance Powell, who cleaned up all the spent brass after the event.

Results of the Senior division are as follows:

Scoped rifle:

1st Lloyd Turner

2nd Robert Moline

Iron sight rifle:

1st Craig Sedlmayr 2nd Robert Moline

The results of the Junior division:

1st Lillian Turner

2nd Chance Powell

3rd Annabelle LeJeune

RSO Training

Interested in becoming a **Range Safety Officer (RSO)**? The Club relies on trained RSOs for many of our events, so having more certified individuals makes a big difference. We are hosting an RSO certification class on January 9, 2027. The course includes 8 hours of classroom instruction, running approximately 8 a.m. to 5 p.m. Class size requirements: minimum of 4 participants, maximum of 12. There are no prerequisites to enroll — you simply must be **21 years or older**, open to members and non-members.

If you are interested in this class, please email info@chaseburgrodandgun.com, and check out our Facebook page and website for the link to register.
